September 2009

From the President:

Hello Fellow Quilters!

Fold up the beach chair and towel. Put the top on the cooler and sun lotion---wash your hands---it is time to start quilting again!!!!

We have an exciting and interest-packed calendar from September 2009 thru June 2010. Carol DeBold and Marilyn Novak have worked tirelessly to bring to us very famous, talented, well published and a diverse group of lecturers, trunk shows and workshops.

The new calendar will be available to you at the September 14th meeting. Take one home, mark the meeting dates on your own calendars--you won't want to miss any of the upcoming fun!

Besides all that enjoyment, we also have much work to do. Outreach Day is just six months away so we have "comfort quilts" to make and Sharon will get us moving on making Boutique items.

See you on September 14th at the Goodnow Library-- thimbles on and needles ready!!

Calling All Mystery Quilts!

If you made the child sized mystery quilt last year, please bring it to the September meeting for show and tell. Please bring it even if it isn't completed. It's always great fun to see them all together!

September Meeting Activity

At the September meeting we will begin our creation of items to sell at the 2010 Quilt Show. The first project will be a "Thumb Cushion" pin cushion. In order to work on the project please bring your Hand Sewing Kit (neutral thread, scissors, sewing needles, common pins, thimble (if you use one), sharp marking pencil or fine fabric marker (for sewing line), small ruler or whatever you use to mark your quarter in sewing line (I use ¼" tape available at Jo-Ann's or your local quilt shop). If you have any questions regarding what to bring feel free to email me at sharon.macomber@verizon.net. See you at the September meeting.

Membership

It's a new season of fabulous quilting and time to renew your Wayside Quilt Guild membership. I'll be at September's meeting to renew your membership and collect any updated address/email/phone information.

Please fill out a membership form and submit it to me along with your annual dues of \$25. Or, you can send it in the mail to me before the meeting. Member cards and the updated Wayside Quilters directory will be handed out at a later meeting. See you in September!

Workshops

Penny Rug Workshop

Wayside Quilters will hold our first workshop of the year on Saturday, October 17th at the First Baptist Church in Sudbury. Like our May meeting, the day will begin with a business meeting, show and tell then a lecture by our featured guest Nancy Hubbard. After lunch, Nancy will teach a Wool Penny Rug Workshop for those who sign up. The workshop will cost \$25 for Wayside Guild members plus \$15 for the kit (required) for a total of \$40. The cost for non-members will be \$50 including the kit. Laura Lane will be accepting sign ups at the September meeting. Please bring your check book. Please note that there will not be another meeting before the workshop, so we ask everyone to sign up and pay at the September meeting.

Hawaiian Quilting with Faye Labanaris

On Tuesday, November 17th, Wayside Quilters will be holding a full day Hawaiian Quilting workshop with Faye Labanaris. Faye is a nationally known author and quilt teacher specializing in Hawaiian Quilting and Ribbon Flowers. The cost for this workshop will be \$25 for Wayside Guild members and \$35 for non-members. Laura will also accept registrations

for the Nov. workshop at the September meeting. Don't miss out on these two great teachers!

Library

I will bring a sampling of books to the September meeting... some classics, some new... Please take a few minutes to look them over. You may be inspired! If you've had guild books over the summer, please return them at this meeting... or just let me know you need to keep them a bit longer. I'd like to take inventory as we start a new year. If you have a project in mind, I'd be happy to go through the guild's books for you to see if there's anything available to help you along. Contact me by e-mail or phone. CALLING ALL HOARDERS

Do you have ancient thread, perhaps from Grandma's sewing box or your own "vintage" collection? We all know we shouldn't sew with this thread, right? But it's hard to throw it away ...

If you have thread you would like to donate to a new and loving home, I have a friend who would appreciate your cast-offs. Silk, cotton, poly-blends, anything goes, any color. Large spools, small spools, it all makes no difference. (And, no, she does not use the spools themselves, she uses the thread.)

I will be at the September meeting so feel free to bring your donation to me then and I'll pass it on. (If I remember, I'll have a sample with me of what she does with this thread so you can see.)

Thanks,
Kristine Lundblad
