Outreach: Quilting for People in Need

Join us on Saturday, February 4th to make quilts for folks in need. We will meet from **9am - 4pm** at the:

First Baptist Church of Sudbury
162 Landham Rd in Sudbury

If you have been working on a quilt for outreach, please bring the quilt tops, completed squares, or completed quilts to the meeting and we will have a great time finishing the quilts.

For new folks, jump in and join the fun! This is a great way to meet the members and learn about the guild. We will have ironing boards and 3 irons. Please bring sewing machines, rotary cutters, cutting mats, comfortable shoes, and enjoy!

Serving on the Nominating Committee

The Nominating Committee needs two members at large from the guild to help the three members of the Executive Board nominate a new President for the 2012-2014 term. The commitment will be short-term. If you wish to volunteer, please contact any of the three members who have volunteered: Judy Merra, Carol Bradford, and Carol McCreary.

Thank you very much!

Membership Quilting Circles

The time has come for a revival! Long time members remember Friendship groups and Quilting "Circles." Whatever their names, these informal groups provided a regular day and time for Wayside members to be together to sew, quilt, share their knowledge, and generally get to know one another better. One or two groups still meet.

Let's revive this wonderful tradition. It is such a great way to connect with each other, and allow newer members to feel more a part of the greater Guild.

At the next meeting, we will pass along a survey to the membership that will ask questions like: Would you like to be a part of a regularly scheduled Friendship group? What days/evenings and time/s is best for you? Would you host in your home? How many can you accommodate?

The groups will be structured so that all their meeting days/times are published and anyone can go to any group as their schedule allows. (If you miss your usual Wednesday morning, for example- you can go to Friday's.) Each attendee will contact a hostess before the meeting to let her know you are coming. Attendance will be limited per hostess room size! Refreshments will not be the hostess's responsibility.

The survey will also be on the web site for those who miss the next meeting. We will collate the results and try to get these started as soon as possible.

Anyone have a good name for these groups?

The Material Girls

A local chapter of The American Sewing Guild is open to anyone interested in sewing. Please Google "ASG" for more information about this organization. "The Material Girls", a neighborhood group of the Boston chapter meets monthly in the main fire house in Marlborough with a variety of programs of interest to all levels of sewers. An annual charity project is the sewing of 18" doll clothes. These are then donated along with the dolls to local children at Christmas. Last year they provided 104 dolls with at least three outfits each. The enclosed attachment is an example of their work. If you would like more information about this active group please contact Jill Cochrane at: iyayajc@gmail.com.
