## ***From the President***

Cheers Everyone,

Welcome to winter. I hope no one was too badly hurt by the recent storm. Speaking of that weekend, Jane Harris and Kristine Lundblad organized a wonderful workshop given by Ann Lee and Sonja Lee-Austin of Friends Fabric Art. About 21 ladies worked on needle-felting with all kinds of gorgeously colored materials using pre-purchased kits. We all learned a lot and had a marvelous time. Thanks Jane and Kristine for presenting such a great Saturday morning activity.

A few weekends ago the Concord Piecemakers held their quilt show. I hope many of you were able to attend this event and see the wonderful work these ladies displayed. Several members of Wayside Quilters also belong to this Concord guild. They worked very hard to create this beautiful show. Congratulations Piecemakers for a job well done.

Barbara McCarty has scheduled a cutting day on Saturday, November 12, at the Senior Center in Sudbury. Come help work for Outreach to make quilts while enjoying a social morning along with other members.

At our next meeting, November 14th, well known quilt show judge and certified teacher Holice Turnbow will speak to our group. Don't miss hearing this famous quilter's program and seeing his work.

Have you been busy with sewing projects? If so, please bring them to our next meeting and show off what you have made. We would all love to see your latest creations. See you soon,

*Benje*

## ***Outreach Fall Activity-Nov. 12***

Outreach Cutting Day  
Saturday, November 12 9am - 3pm  
Sudbury Senior Center

Join us for the first of several outreach days over the year. In this meeting we will make quilt tops. There will be kits available, and lots of strips. Bring your machines and have fun assembling quilt tops. If you have any quilt tops completed, stop by and drop them off. If you need backing or batting, email me with the size needed and the colors in the quilt. I will have backings and batting available the Outreach day. Please RSVP if you can join us by emailing me at [outreach@waysidequilters.org](mailto:outreach@waysidequilters.org)

*Barbara McCarty*

This column features news of our quilts and quilting accomplishments, so we can all share each other's excitement and joy. Send your quilt news to Fran for inclusion in the next newsletter.

*Congratulations to Diane Loomis whose quilt "Square in Square I" won third place at the International Quilt Association Houston Show, Miniature Quilts division.*

*Well done, Diane!*
